## Welcome to The Quattro Firm

At the Quattro firm, we believe in viewing our client as a whole person as opposed to just a set of legal issues. We believe that in order to be a successful advocate, we must be able to understand the full needs of our clients, not just the legal needs. By using this full understanding, we advocate with compassion.

## The Quattro Firm Believes In Female Empowerment

According to the National Women's Business Council, as of 2012 there were 9,932,424 women-owned businesses in the United States, however when it comes to women run law firms the numbers were few and far between. In fact, in 2013 the American Bar Association reported that women make up only 34% of the legal profession, and of those women only 20.2% were partners in the firms. As of April 2015, only 12 of the largest 100 U.S. run law firms have a woman in their highest leadership position. The Quattro Firm strives to make a change in these numbers.

Being an all female firm gives the Quattro Firm a unique advantage when it comes to handling cases and clients. In addition, being an all female firm fills us with a sense of pride and empowerment. We love to support female run businesses and each month we will recognize one female run company in the area.

This past October the Quattro Firm joined in celebrating local author G.K. DeRosa in the publishing of her first novel *Wilder: The Guardian Series*. We wish the best to G.K. as she moves forward with her successful series and the release of the second novel in the series *Wilder Destiny: The Guardian Series* and the novella *Finding Wilder*.

**"Women are leaders everywhere you look—from the CEO who runs a Fortune 500 company to the housewife who raises her children and heads her household. Our country was built by strong women, and we will continue to break down walls and defy stereotypes." —Nancy Pelosi**
